## HAPPY 4th of JULY

### June Show – Another Sooner Success! By Dedra Tiger

Saturday, June 18th, was the date for the second year of the Sooner show at Payne County Expo in Stillwater, OK. We had many return exhibitors, as well as many new ones. Since this show was co-pointed with the Kansas Appaloosa Club, members of that club came to the June show. There were entries from states all around this region. Sponsors for this show were amazing and we were able to post the new Sooner banner that will be displayed at the 2005 World show. Banner sponsor, Vallarta Restaurant in Mannford, OK, was represented by their colorful banner, as well. Sooner ApHC is grateful for our show sponsors and those that donated the incredible Silent Auction items, as well.

Thanks to our expert volunteer staff, the show ran smoothly and our exhibitors were pleased with the judging of Mary Ann Cash and Sharon Woods-Hopkins. Of course, Jim Chronister provided entertainment in the announcer's booth and kept the show moving with speed and humor. For the second year, John Horn provided our delicious concessions. His specialty for this show was chocolate covered frozen cheese cake on a stick. It was really yummy and refreshing, given the warm temperatures. Reserving the livestock barns provided additional stalling on dirt for those that wanted a softer footing. Entry to the warm up area through the wash rack kept show traffic flowing smoothly.

Congratulations to the Show High Point winners: Kayte Beckelheimer, ApHC Walk/Trot; Brenna Brawner, ApHC Youth; Brian Foster, ApHC Non-Pro; Stephanie Ramsey, ApHC Open and Becky Dillion, All Breeds Open. The winners were announced during the games portion and the winners were delighted with the "spotted" ribbons. Additionally, there were several exhibitors that joined Sooner Club and we are so pleased to welcome them to our club. Some of these new members plan to attend the July Fun Day, so we can meet and get to know them.

We are looking forward to the October show and the Sooner Breeders Futurity. If you would like to volunteer to work a segment of this upcoming show, we would appreciate your efforts. Contact Dedra Tiger or Carol Johnson to sign up as an October staff volunteer. Boost your summer fun and plan to attend the July Fun Day on Saturday, July 23rd!

### Member News

Kim Rumpsa and her stallion, Secret Mr. BarReed represented the Sooner Club at the All American Futurity in Tulsa on June 18<sup>th</sup>. With some help of fellow members, Kim adorned an authentic looking Nez Perce costume and led the post parade with Mister.

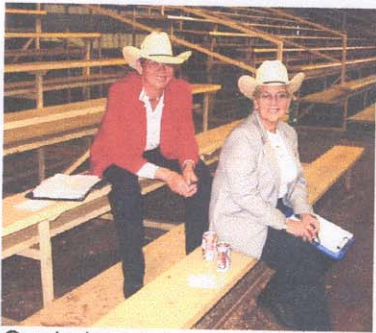

Victoria Ennis reports "by God's good graces we stepped away with a beautiful Supreme Championship bronze trophy earned by the 2004 Champion race horse "Ibelieveicanfly" who was also sired by I Love Willie. This Friday night is the finals for the \$100,000 Speedhorse Futurity and Derby. There, "Moon Um Willie" will run in the futurity after qualifying with the 5th fastest times over 70 paints and appies. We are hoping for a piece of the action there! Also "Ibelieveicanfly" will run in the Derby the same night. Wish us luck!

GOOD LUCK!

### Youth News

She also competed in Dressage at World Champion Pinto Show in Tulsa. Her horse Wild Star Snip (Sparky) is a 5 year old Paint/Pinto that she got for Christmas this past year. Sparky and Emily also won 10th Over All High Point for The Green Country Team Penning Association in the Youth Division and has qualified to compete in the Team Pen America and United States Team Penning Association and the Global Team Penning Finals this Fall. His spots are just bigger but he still has spots!

Congratulations Emily and Sparky!

Our judges take a break from a full slate of classes to smile for the camera.

## Presidents Corner

What a difference a year makes! Last year's Spring trail ride was rained out, but this year we had lovely weather for the ride. Those Sooner members who came to the ride had a great time. After serious thought, we ate lunch first, then rode. Grilled hot dogs, fresh fruit, fresh vegetables – yum. Add in good company and it was a really fun lunch. After lunch, we saddled up and rode. The star of the trail ride was our Sooner 'mascot', Curly Bill. He and Dedra did really well, after we got down the first hill. We couldn't believe they had such a steep obstacle at the *start* of the trail. We came upon deer a couple of times during the ride – pretty 'cool'. Unfortunately, we also came upon some other wildlife on the ride – a major nest of seed ticks. Shortly after we rode through it, Romeo started twitching, then stomping. One by one the other horses started to do the same dance – walk, stomp, chew leg, walk, stomp, stomp. When Snip started the dance, I knew something was up. We headed back to camp to check the horses and found ticks swarming their legs – yuck! We all had bug spray, but no dust of any kind. Once the horses were comfortable, we finished up the ride with watermelon.

Our June show was a success as a result of the efforts of some of our Sooner members and the participation of our exhibitors. It was a busy day. In general, everything went well—a real tribute to the team work of our members. I can't thank the volunteers enough, but please know that you are appreciated. There is no way we could put this show on and make it fun for the exhibitors without you. Dedra and the show committee have already started planning ways to continue the things that worked well, to correct the things that didn't go so well, and to improve the flow of the October show.

We were so glad to see all of the exhibitors, both those who showed with us last year and those who showed with us for the first time this year. A number of exhibitors from the Kansas club were at our show. Those of us who worked this show are looking forward to attending their State Fair show in September. I hope everyone got by the hospitality booth. Angie McGee put together an outstanding presentation. In addition to the Appaloosa DVD from ApHC, 3 videos about the Appaloosa that featured different events at the 2003 World Show, we also had our Club's 2004 photo slide show DVD. The few times I got out of the show office, I would see people taking a break and watching these. Several people made a point of finding time to watch these interesting videos during their free time during the show. Plans are already underway for our next events, including a fun day July 23rd, and our next show on October 8th. We hope to see all of you at both.

The energy and enthusiasm of our more recent members and the steadfastness and commitment of our longer term members is helping to make 2005 a successful year for the Sooner Club. I hope more of our members will decide to become active in the Club's activities. There is a camaraderie and sense of accomplishment when working with this team that keeps me looking forward. Thanks to each of you for your help and for letting me be a part of the team.

*Carol.*

## Horses Who Have a Barn to Protect

Author Unknown

**THE ART OF SNORTING:** Humans like to be snorted on. Everywhere. It is your duty, as the family horse, to accommodate them.

**NEIGHING:** Because you are a horse, you are expected to neigh. So neigh -a lot. Your owners will be very happy to hear you protecting the barn and communicating with other horses. Especially late at night while they are sleeping safely in their beds. There is no more secure feeling for a human than to keep waking up in the middle of the night and hearing you, "Neigh, neigh, neigh..."

**STOMPING CATS:** When standing on cross ties, make sure you never – quite--- stomp on the barn cat's tail. It spoils all the fun.

## Horses Who Have a Barn to Protect, Cont.

**CHEWING:** Make a contribution to the architectural industry.... chew on your stall wall, the fence or any other wooden item.

**FRESH BEDDING:** It is perfectly permissible to urinate in the middle of your freshly bedded stall to let your humans know how much you appreciate their hard work.

**DINING ETIQUETTE:** Always pull all of your hay out of the hay rack, especially right after your stall has been cleaned, so you can mix the hay with your fresh bedding. This challenges your human, the next time they're cleaning your stall - and we all know how humans love a challenge (that's what they said when they bought you as a two year old, right?).

**DOOR:** Any door, even partially open, is always an invitation for you and your human to exercise. Bolt out of the door and trot around, just out of reach of your human, who will frantically run after and chase you. The longer it goes on, the more fun it is for all involved.

**GOING FOR TRAIL RIDES:** Rules of the road: When out for a trail with your owner, never relieve yourself on your own lawn.

**HOLES:** Rather than pawing and digging a BIG hole in the middle of the paddock or stall and upsetting your human, dig a lot of smaller holes all over so they won't notice. If you arrange a little pile of dirt on one side of each hole, maybe they'll think it's gophers. There are never enough holes in the ground. Strive daily to do your part to help correct this problem.

**GROUND MANNERS:** Ground manners are very important to humans; break as much of the ground in and around the barn as possible. This lets the ground know who's boss and impresses your human.

**VISITORS:** Quickly determine which guest is afraid of horses. Rock back and forth on the cross-ties, neighing loudly and pawing playfully at this person. If the human backs away and starts crying, swoosh your tail, stamp your feet and nicker gently to show your concern.

### \*\*Easy To Booger - Classy Filly\*\*

2004 Filly by EZ Jets Image\* out of Miss LBs Haz Togo\* (ROM). Beautiful chocolate brown, broke to lead, West Nile and wormed. May color up as she is Appaloosa on both sides, but even if she doesn't she can be CPO'ed under the present rule. Already with a name and number, Cocoa combines many champion bloodlines and performers. Her dam was in the top ten in the Nation in Jr. Trail as a two-yr. old. You can't go wrong at this price! **\$800.00**

Contact: Jim Chronister (918) 825-4487

### \*Blazin Hot Elegance\* (pending)2005 Bay ApHC Filly w/blanket

Blazin Hot Tip x Just N My Thoughts (Go To Impress x daughter of Dreamfinder) Ellie is an outstanding longe line and western pleasure prospect. She is flashy, sweet, and a pretty mover. She is already soft, flat and slow legged. Her yearling half sister is also an exceptional mover and would have been very successful in longe line (youth owner did not have time to prepare her, but plans to enter several 2 y/o wp futurities next year). Ellie is part of our new stud's first group of foals, and we don't have time to campaign them and Tip both. For that reason, his foals are being offered at super low prices in order to get them into homes where they will have the opportunity to show their potential. **\$800.00 to an active ApHC show home**

Contact: Carolyn Johns at (405) 377-9186

### \*Blazin Hot Playboy\* (pending)2005 Buckskin ApHC Colt w/snowflakes, minimal facial white

Blazin Hot Tip x Hontubby Gray (double bred Freckles Playboy) Play is a good prospect for western riding, western pleasure, or possibly reining. He is a cute mover, athletic and spunky, but still laid back and easy to handle. His color is distorted for some reason in the photos. Look at the rump shot for an accurate idea of his true coloring. Play is being offered at an insanely low price in order to move him into a show home where he will be used. **\$800.00 to an active ApHC show home**

### \*Herd Reduction\*

Selling 80% of our herd, mostly mares in foal and prospects. See [www.duninspots.com](http://www.duninspots.com) for more details. No reasonable offer refused.
