## President's Corner

By Carol Johnson

We're well into summer now. I hope you are all coping well with the heat.

Our June show was a success thanks to the efforts of our Sooner members and participation of exhibitors. In general, everything went well – a tribute to the team work of our members! "Thanks" just doesn't express how grateful I am to each and every one of you who helped us with this effort. There is no way we could put this show on and make it fun for the exhibitors without you. Dedra and the show committee have already started planning ways to continue the things that worked well, to correct the things that didn't go so well, and to improve the flow of the October show.

I'd like to offer a special thanks to Vi Bottger, who coordinated our concession. I think everyone will agree – we had some of the best horse show food ever.

We were so glad to see all of the exhibitors, both those who showed with us last year and those who showed with us for the first time this year. What a wonderful group of people to spend time with.

The energy and enthusiasm of our more recent

members and the steadfastness and commitment of our longer term members is helping to make 2006 a successful year for the Sooner Club. I hope more of our members will decide to become active in the Club's activities. There is a camaraderie and sense of accomplishment when working with this team that keeps me looking forward. Thanks to each of you for your help and for letting me be a part of the team.

Lastly, we are moving rapidly through the year. It will be time soon to consider serving on the board, as an officer or as a committee member. Please consider how you can help move our Club forward into 2007. Our Club has a long history of supporting this wonderful breed we all love – the Appaloosa. Please join me and the other officers and board members in making our future even brighter than our past.

Carol

## Dreams Come True

By Donna Chronister

Who says dreams don't come true? Certainly not Jim and Miriam Lovell, they are proof positive that never giving up does pay off in the end.

About 35 years ago Jim and Miriam joined the Sooner Club and jumped in with both feet. Their two girls, Carleen and Sonya both showed in all the youth classes and Jim and Miriam served in many capacities, where ever they were needed. About the time that the girls were grown and getting married, the racing bug bit Jim and Miriam. They bought We Go Dixie, a son of We Go Easy, to breed to their good mares. They also bred Pocket Queen to Extra Special Effort. The resulting colt was a stakes winner and should have won a medallion for being the top two-year old running stallion but the new owner did not pay the starters fee, so the ApHC didn't recognize the colt. Jim and Miriam continued to breed and sell well bred racing foals and to run one or two on their own.

Hard work, planning and perseverance paid off on June 30, 2006 at Fair Meadows, Tulsa, OK. Headlight Scooter, bred and owned by Jim and Miriam bested the field of 10 horses to win the Strike It Rich Futurity which had a purse over \$26,000.00. Jim and Miriam

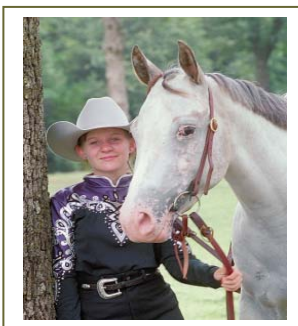

were thrilled to have two of their colts make the finals, but when Scooter finished first, there wasn't a dry eye in the house. Angie Jones, their trainer was seen leaping down three flights of stairs without touching a one. It was a real thrill to be there and see one of the "little guys" win big. Jim and Miriam have put in long hours, hard work and lots of money over the years into the horses, but this time it paid off big time!

Congratulations to two of the good guys. I can't think of anyone that deserves it more.

## Youth News

In addition to the class congratulations already listed, we would like to congratulate Sooner youth member Fowler Johns on her accomplishments at this year's Youth World Show. She placed 1<sup>st</sup> in the Youth 13 and Under Photography contest. She also placed 2<sup>nd</sup> in both the 13 and Under Art and Essay Contests. Congratulations Fowler!

*Fowler Johns and her mare,  
Comet To Me.*

We finally drew for a winner from our youth survey contest that ran a couple of months ago. Kayte Beckelheimer is our winner! Kayte, we'll be getting your prize pack sent out to you in the next couple of weeks!

We are looking at trying to host a clinic for our youth early next year, most likely for Equitation or Trail. If you have any thoughts on who you'd like to see as a clinician, the best time to hold the clinic, location, etc., don't hesitate to contact me at [jennifer@spotofpleasure.com](mailto:jennifer@spotofpleasure.com) or call me at 405-377-0735!

## OSU Horse Owner's Symposium Set for Sept. 9

By Donald Stotts

Horse enthusiasts looking to pick up the latest in practical management tips for their animals should register now to attend the Sept. 9 Oklahoma State University Annual Horse Owner's Symposium.

"Our intent is to provide usable information that can be implemented to increase the health of horses," said Dave Freeman, OSU Cooperative Extension equine specialist. "We are offering seminars and demonstrations that will be of importance to all horse owners, regardless of the number of horses owned or investment level."

The symposium will take place 8 a.m. to 4 p.m. at OSU's McElroy Hall Auditorium, located at the corner of McFarland and Farm Rd. on the university's Stillwater campus.

Cost is \$30 per participant, with lunch being provided for those who register by Sept. 1. Registration forms are available through all OSU Cooperative Extension county offices, usually listed in local telephone directories.

"A confirmation letter and map will be mailed to participants upon receipt of their registration form and payment," Freeman said.

Symposium sessions will focus on current

recommendations for equine vaccinations, navicular syndrome, joint therapy, equine sports medicine, muscle conditions of performance horses, the National Identification system, forage management issues for horse farms and feed energy management issues.

Participants also will receive insight on equine arthroscopy, equine lameness, upper airway endoscopy of performance horses and oral examinations of horses.

Sessions will be led by OSU veterinarians Dr. Dustin Devine, Dr. Lyndi Gilliam, Dr. Todd Holbrook, Dr. Hank Jann, and Dr. David Moll; Dr. Becky Brewer, state veterinarian with the Oklahoma Department of Agriculture, Food and Forestry; Daren Redfearn, OSU Cooperative Extension forage and pasture management specialist; and Freeman.

The symposium is sponsored by the OSU Center for Veterinary Health Sciences and OSU Division of Agricultural Sciences and Natural Resources.

Anyone interested in obtaining additional information about the Sept. 9 event should contact the OSU Center for Veterinary Health Science's Office of Outreach at 405-744-7672.

### Full Impact – AKA “Buddy”

Impressive Shannon x Impress Me Josie

Full Impact is 2004 loud colored gelding. He is 15.2 hands and weighs about 1100 LBS. Buddy has a few halter points with limited showing. He is good minded, and easy to work with. He has been started with saddle breaking, and has been driven. Buddy would do great in halter, and would be an exceptional western pleasure-english pleasure prospect. Color, size, conformation, and temperament, what more could you ask for? Buddy would make a great youth or non-pro horse, or a 4-H project. ### Zevi Joe – AKA “Joe”

Zevi's Scotter Bug (ROM, MW Sire) x Turf Made (Multiple ROM Producer)

Joe is an excellent hunter/jumper, race prospect. He is a big stout growthy colt with a huge stride already. He should mature close to 17 hands. He is a half brother to the gelding that won the 2006 Strike It Rich Futurity. Already has his name and number. \$1,200.00. ### Blazin Hot Tip

Blazin Hot Dream (Western Pleasure National Champion Sire) x Sociallite Plaudit (Western Pleasure World Champion)

NEW VIDEO AVAILABLE! Tip is a 2001 dark bay snowcap stallion. To date he has thrown 100% colored or characteristic babies and should continue to do the same based on his coloring. Tip is probably around 60 days from the breed show pen in western pleasure. He is easy to handle, super easy to breed (trained to collect from dummy, two people can EASILY collect him with one being our 12 year old daughter), and is producing fantastic foals. He is a soft, pretty mover that should do well in the show pen as well. Lack of time forces sale. See more at [www.circlefstables.net](http://www.circlefstables.net) \$5.500. Contact Carolvn at 405-377-9186 or e-mail at [circlefstables@sbcglobal.net](mailto:circlefstables@sbcglobal.net).

**Jazz (ApHC Registration Pending) – 2006 Bay Characteristic Filly**

Blazin Hot Tip x Quick Statement (Rock Star &amp; Spittin Image Granddaughter)

Jazz is an extremely nice filly that will be an outstanding western prospect and possibly be capable of crossing into the hunt seat as well. This filly has "IT", something that draws your attention out of all the babies in the pasture, even though she isn't colored. She is pretty, elegant, and a joy to be around. She is characteristic and will have regular papers. See more at [www.circlefstables.net](http://www.circlefstables.net) \$1,500, Contact Carolyn at 405-377-9186 or e-mail at [circlefstables@sbcglobal.net](mailto:circlefstables@sbcglobal.net).

**Splash (ApHC Registration Pending) – 2006 Colt**

Blazin Hot Tip x Just In M' Thoughts (Go to Impress x Dreamfinder daughter)

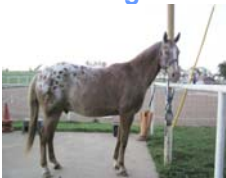

"Splash" carries the up close bloodlines of some of the best in both the AQHA and the ApHC, including Dreamfinder, Go to Impress, King Plaudit, and Blazing Hot. He is already a pretty mover with a naturally low headset. He is extremely friendly and is very easy to handle. He's a fun colt to be around and should go far as a western pleasure/western all-around horse. See more at [www.circlefstables.net](http://www.circlefstables.net) \$1,500, Contact Carolyn at 405-377-9186 or e-mail at [circlefstables@sbcglobal.net](mailto:circlefstables@sbcglobal.net).

**Wild N' Cool – 2000 Stallion**

Coolest Hustler x Miss Kitty West

Cool is a snowcap stallion that has produced 100% color and should be a guaranteed color and/or characteristic producer. He has his ROM in halter, is a futurity winner, and is broke to ride (although he has not been ridden lately). He is easy to breed and live covers or collects off a phantom. We would be open to offers, trades, leases, etc. He is only for sale due to owner's pregnancy. \$6,500. Contact Nadia at 918-770-1584 or e-mail at [nadiak@freedom-farms.com](mailto:nadiak@freedom-farms.com). See more at [www.freedom-farms.com](http://www.freedom-farms.com).

**Lone Ranger**

LR is a 14 year old gelding that does the standard walk-trot-canter as well as being gaited (most likely an Indian shuffler). He is a great trail horse and has also been used as a lesson horse. \$1,800 OBO. Contact Susan at 918-266-3399
