Sooner Club Members Show at World

Two of our Sooner Club members competed last fall at the 2005 Appaloosa World Show. Both had a very successful show! Lori Conger and her mare, Hunting For Love, earned World Championship titles in Non-Pro Hunter in Hand Mares and Non-Pro Pleasure Driving. Lori also placed 7th in Non-Pro 35 & Over Hunt Seat Equitation. Hunting For Love was shown by Ray Burchett to a 4th place in Open Hunter in Hand Mares, 4 & Older and a 3rd place in Open Pleasure Driving. Hunting for Love is by The Hunter and out of Texas Tough.

Angie McGee showed her stallion, YahooSerious Spender, in 2 & 3 year old Hunter in Hand Stallions and the new Non-Pro Hunter in Hand class. They placed 7th in 2 & 3 year old Hunter in Hand and 8th in Non-Pro Hunter in Hand. YahooSerious Spender is a 2002 stallion by Spendthrift, out of Skips One Tooth. Congratulations Lori and Angie on your fantastic accomplishments!

Wap Rah Cheer Takes 3rd at Driving Show Debut by Pat Gent

Last spring, Erica and I went to the Oklahoma Harness Horse Association's Beginning Driving Clinic in Stillwater. The clinic was tremendous fun – I learned how to harness a horse, how to actually drive a horse and carriage, and learned more about carriages and buggies than I ever imagined. And if that weren't enough, it turns out that the lady who runs my tack shop in OKC is part of this organization. And on top of that, she had a friend who was selling a well-made Amish harness that just happened to be exactly the same price as the balance in my show budget that month. What are the odds? Typical to my impulsive nature, I jumped into this driving thing with both my feet and all four of Faroh's. I came home, and explained to The Spotted Wonder, "you're going to learn to do this, and you're going to like it." Faroh wasn't all that impressed, and he has figured out that if he ignores me long enough, I'll give up and go away. Not this time. I was hooked – seriously hooked. This could easily become my new favorite thing to do!

I enlisted Erica's help, kicking and screaming but I threw her in anyway, and since ApHC Nationals, Faroh has been playing the role of "big boy horse" with bit, bridle, blinkers, and long lines. He's always seemed to like learning new things and once he got adjusted to the idea that he could take instruction from someone he couldn't see standing behind him, he's been doing very well. On August 23rd, he made his debut in the capable hands of his dear Auntie Erica at the Cowboy Country Driving Show in a class called "suitability for driving" and another called "ground driving." As usual, he was the youngest horse in his class, and all of us were soundly thrashed by a huge Clydesdale stallion that was in full harness: clanking chains and the whole nine yards. We all groveled before him and called him "king of the harness" and let him win without protest. We were afraid he'd squash us under his front shoes if we complained. They looked like size 11's.

Driving Debut, cont.

However, in this first outing, Faroh came in third in both classes! And the best part of the day was that the horse eating boxes – the ones that were chasing horses all over the show grounds -- didn't bother him at all. We put him into every possible situation we could think of to get a reaction – behind moving carts, between moving carts, ahead of moving carts that came up behind and around him. He could have cared less, and actually seemed interested in the whole concept.

I'm in the middle of purchasing a show cart. See? Told you I was hooked. This coming year, I'll be hooked to The Spotted Wonder, and we'll be a driving pair. We might even try some of that CDE stuff!

President's Corner

We've coompleted a busy, successful year for the Sooner Club. In 2005, we put on two successful shows, numerous clinics, and our Spring and Fall trail rides. 2005 was a fun, hectic year for us, but there's little time to rest. We are in the process of planning our shows, clinics, trail rides and other events for 2006. I hope to see each of you at our meetings, shows and other events this year. I ask that each of you explore how you can help and support the Club this year. What would you like to see the club do this year? Perhaps you know someone who can put on a clinic for us Maybe you yourself would be able to put on a clinic. Maybe you can join us in working the shows. They are a lot of fun, a lot of work, and all of our help are volunteers. Without you, we can't put on a good show. We need each of you working with us to make 2006 a success.

I owe my officers and board many thanks for their efforts and support in 2005. I'm afraid I don't say "thank you" often enough. Please take a moment and let these people know you appreciate them, too. Dedra Tiger continues to improve our web site, and maintains it with a passion. It is a wonderful tool for representing our club to the horse public on the Internet. We had one family who came in from out of state that our October show who stopped and talked with us about what we do as a club because of what they had seen on our web site. Dedra has led us through another successful show season. Angle McGee served as Treasurer and helped with clinics, and worked both shows, helping in the show office and with the show records and reports. Our board members have worked the shows, supported the clinics, and provided support and guidance for the Club. A special thanks goes to our announcer, Jim Chronister, who contributes to the fun and efficiency of each show. Each of you is special to me and to this Club. Welcome to new members such as Pete and Sue Kulp who have moved back into the Oklahoma area this year. We look forward to getting to know them and their horses better over the coming years. I'm really looking forward to next year.

We've had a period of time where our newsletter did not make it out. New board member Jennifer Marcom has taken on the publishing of the newsletter for us. Many thanks, Jennifer. Be sure to get your newsletter info and pictures to Jennifer, Dedra and myself in a timely manner. Why all three, you ask. Jennifer will assemble the info in the newsletter. Dedra maintains a great collection of photo albums on our web site. And I use the pictures in our Club DVD for the year.

Finally, take a moment and join me in considering all the things we have to be thankful for. In spite of the challenges each of us face in our lives, we have many blessings, among them our horses and our friends.

Carol

Meet Your ApHC Board Candidates

Dear Fellow Appaloosa Enthusiasts,

I would like to take this opportunity to introduce myself to those of you whom I haven't yet met. I am running for the Territory IV Zone B ApHC Board of Director's position. I am a veterinarian and have a particular interest in Equine Reproduction. I run my own veterinary practice in Lexington, Oklahoma. I have been very active in the ApHC since the mid-1980's, first as a youth and now as a non-pro exhibitor.

In the early days, we limited our showing to a 50 mile radius from our home in Central Oklahoma. My, how things have changed! We have had the pleasure of showing from the Canadian border to Texas and from New Mexico to Mississippi and all points between. Even

more exciting were the opportunities to show in Canadian National Championships as well as the European National Championship. During this extensive traveling, I have had the great fortune to meet many new faces, see fantastic horses and form lasting friendships.

Prior to making the decision to run, I did much soul searching trying to pinpoint the challenges facing the Appaloosa Industry. I chose to take the time out of my veterinary practice and attend the Nashville and Oklahoma City ApHC Board meetings as an interested individual. The amount of education I received regarding how the ApHC is actually run was amazing. Sitting through the majority of the committee meetings proved how involved each decision is and the ripple effect those decisions have.

I am deeply concerned with the business and financial position we currently find ourselves in. In addition, I am worried about the marketability of our horses. While I am distressed with past decisions, I am even more concerned with looking forward into a future that has the Appaloosa regaining market share in the total equine industry. Educating the potential new Appaloosa owners about our exciting breed is of paramount importance. Ours is a uniquely versatile breed and we should showcase that versatility. There truly is a horse for every owner in every different aspect of the equine experience.

We need to ensure our youth continue to enjoy a strong youth program as they are the future caretakers of our breed. We need to ensure our Non-Pro owners are supported to the highest degree as they are the catalyst for our breed. We need to pay particular attention to the small breeders as they make up the majority of horses bred in the US.

I would like to bring my business knowledge and Appaloosa enthusiasm to the ApHC Board of Directors. Please feel free to call me at 405-590-1147 to discuss any issues. I welcome the opportunity to speak with every one of you.

Sincerely,

Sharon Marshall, DVM

* Blazin Hot Tip * (Tip) 2001 Dark Bay/Brown Snowcap ApHC Stallion

Blazin Hot Dream x Sociallite Plaudit

Tip is sired by a national champion western pleasure producer and out of a world champion western pleasure mare. He is well started under saddle and just needs some polishing to be ready to show western pleasure in the spring. He also has potential for western riding and trail. Tip is leggy and has a fabulous hunter trot, but lacks the size to be competitive nationally in hunter in hand or hunter under saddle. He does have the potential to produce stellar hunter seat babies, however. He is naturally slow and a pretty mover with a cadenced lope and an easy, soft jog. Tip is easy to handle and breed, and he has been well trained to collect from a dummy. His babies are flat, soft, pretty movers with tiny heads, thin necks and **COLOR**. Tip should produce 95-100% color, regardless of the breed of the mare. A short video is available on our website. A regular video will be available soon. See the website for more pictures of Tip, his babies and more information. **\$5,500.00**
