## March 1st Show Rescheduled to April 6

Our March 1 show became a "Snow Show"! The week before the show was a weather event throughout the area: snow in the Tulsa area and in Kansas and Missouri, ice storms in the Texas and Arkansas—and it just wouldn't go away. As the weather held fast to its wintery personality, we started looking at our options.

We got lucky and an arena was available at Tulsa Expo on the first and second weekends of April. OAHC has a show scheduled the second weekend, narrowing our options to the first weekend of April. When I contacted our judges for the show, both could be available April 6, and my decision became an easy one to make.

It took a lot of effort to get everything lined up for the change, arrangements made with Tulsa Expo,

ApHC notified, exhibitors notified, and on it went.

Thanks to each of you who helped me during this week. Couldn't have done it without you. Walter, Billy, Jim, Cathey and Donna for their guidance and support. Members and exhibitors who helped get the word out to everyone.

We've made it through the week, and are now ready to prepare for the new show date. I've made new flyers and showbills for distribution. Contact me or Cathey Hazelwood for copies. Let's work together to make the April 6th show a success!

And yes, our Spring show will be a "Spring Forward" show since it will be on the first day of daylight savings time this year!

## Beginners' Clinic Planned Prior to Show

Angie Evans had worked with the Mayes County Fair Board and arranged for us to be able to use the Mayes County Fairgrounds arena for a clinic February 23. The snow that impacted our show started early the morning of the 23rd, and we canceled that clinic. With the rescheduling of the show, Angie will

try to get us another date for a clinic. We'll notify people by email and/or phone when we have a date. Please contact Carol Johnson, 918-543-2574, or Angie Evans, 918-825-2194, if you are interested in attending this clinic.

## Beware of Fraudulent Offers!

*Excerpts from the ApHC Newsletter:*

Equine.com has informed the Appaloosa Horse Club of fraudulent purchases being perpetrated on horse owners, and several Appaloosa owners have reported being contacted with offers to purchase their horses by a "person" in Nigeria. The ApHC and Equine.com caution you to take extra care when selling horses overseas.

Aaron T. Bromagem, president of Equine.com, writes: "People selling horses are receiving buyer inquiries from a third party regarding the purchase of a horse from a potential buyer in Nigeria or Africa. This inquiry commonly attempts to arrange a purchase with a cashier's check covering the price of the horse and shipping. After the horse has been shipped, they commonly ask you to refund the shipping charges as part of a finder's-fee arrangement.

Unfortunately, the cashier's check is counterfeit. This fact is not uncovered until the horse and the finder's fee have been forwarded to the scam artists.

To protect yourselves and others against this type of activity, it's important to obtain as much information about the buyer as possible. If you suspect the buyer may be involved in this or similar scams, please forward any information you can obtain to the following organizations:

For complaints in the United States, use the Federal Trade Commission Consumer Complaint Form at [https://rn.ftc.gov/dod/wsolcq\\$.startup?Z\\_ORG\\_CODE=PU01](https://rn.ftc.gov/dod/wsolcq$.startup?Z_ORG_CODE=PU01)

The ApHC article lists scam indicators to be aware of. The final thought of the article was the old saying, "If it sounds too good to be true, it probably is."

### Tiny's Shinin Star

Emily Coleman & Spotty at a dressage show in 2002.

## Member News

On February 23 at 11:30 p.m., Tiny's Shinin Star, aka Spotty, joined the stars in the heavens at age 22. He was put down after a colic episode which began on Saturday. Emily Coleman and Spotty had a very successful season in 2002, competing in dressage and 4H. Spotty was a talented, all around horse. Emily rode him in 4h, Dressage, trail, team penning, etc. Emily and her mom Hilda are devastated at the loss of this great horse. He will be missed.

Leslie Chapman wants to reintroduce her stallion **Zee Ima Cowboy Shado**, ApHC# 3541862. He was born March 2, 1995. His sire is **C Ima Shado Two** from Castle Hills Appaloosas, Donnie and Mary Clark from Missouri. "Cowboy" has 7-8 offspring that are being ridden and shown. Foals have been 80% black and 100% characteristics. At the horsefest in Claremore in 2001, out of 42 horses in the most colorful halter class, "Cowboy" placed 6th and placed 2nd out of 7 in the aged stallion class. He's received lots of compliments on his disposition, color, and conformation. For more information and to see "Cowboy", contact Chapman Versatility Horses, Leslie Chapman at [appy2us@yahoo.com](mailto:appy2us@yahoo.com).

## President's Corner

This last week has been a challenge on all fronts. In the final stretch heading towards our March 1 show, we had snow and frigid temperatures throughout the area. Luck was with us, and we were able to reschedule the show to April 6.

On Monday, we received notice that one our favorite youth horses had died.

Last night I received word that Don Smallwood had died.

So many events beyond our control. Events that force us to pause and consider life, its many blessings, and what is really important.

I am guilty of getting so involved in the details and demands of my daily life that I forget to focus on the things that matter—my family, my friends, my wonderful horses and other animal friends. I often don't take the time to let them know how glad I am to have them in my life.

As I grieve for the those who left us this week, I am also reminded of how very blessed my life is and has been. Thanks to each of you for the gifts you share with me.

Think I'll write some letters and make some calls to my family now. Then spend some time with my husband and horses.

*Carol*

## In Memory of Don Smallwood

*By Jim Chronister*

Well, we lost another "old-timer" last Thursday the 27th of February. Long time Appaloosa breeder and showman Don Smallwood passed from this life. When I first met Donnie his kids were showing. We had the privilege of watching Kelly and Shelley grow up showing horses; then came Aaron and Karon.

Donnie was a special guy. His life centered around his kids. He worked hard at keeping them well mounted and competitive. As the kids got older Donnie found a way he could compete. He won the National and World in Buckboard Driving. I recall him hauling

his carriage and horse down to Claremore for a wedding, just because it was a Sooner Club member getting married.

Donnie will be missed by all of us. He was always willing to help out in any way. It might be the Stallion Service Sale, Futurity or anything else. I really haven't done him or his memory justice.

Donnie served as a Sooner Club board member and was always there to give his opinion. I will miss a dear friend as I make the show circuits this year. The Appaloosa Horse will miss a staunch supporter and his family will sorely miss Papa Donnie.

## What is the Sooner Appaloosa Horse Club?

The Sooner Appaloosa Horse Club, Inc., associated with the Appaloosa Horse Club, Inc., is a regional club whose purpose is “**To promote interest in the breed in the area of membership**”. We are a group of people from different backgrounds, in different professions, brought together by our love of the Appaloosa horse. If you share our love of the breed, please join us in our goal to promote the Appaloosa (and have fun in the process!).
