

SOONER SUPER STALLION STAKES

Background

For many years it was common to have a stallion service auction for every club, every year. These programs were popular with both the stallion owner and foal owner. With the downturn in the economy, mare owners are choosing not to breed as many of their mares. Stallion owners are still being asked to donate breedings thereby taking money out of their pockets and resulting in fewer paid breedings per year. Other regional clubs have changed their programs and ask the stallion owner to donate up to \$250 per year to make their foal crop eligible. Both ideas are reliant on the stallion owner to make the most financial commitment.

Mission of the Program

To enable stallion owners to utilize a marketing program for their stallion and foals while maintaining paid breeding numbers.

Rules

1. Stallion owner must be a member of the SAHC each year the stallion is nominated.
2. ApHC and approved outcross stallions are nominated by January 31 of the breeding year for no charge. This nomination will be for the following year's foal crop. Stallions may be nominated from Feb. 1 to June 1 for a \$200 fee to be utilized in the SAHC general fund or for prizes in the future futurities.
3. All show-eligible ApHC foals from the nominated breeding season are eligible for the stakes classes.

Stakes Classes are:

Weanling Halter – Fillies, Colts and Geldings to show together

Yearling Halter – Fillies, Colts, Geldings

Yearling Hunter In Hand – All Sexes Show Together

Yearling Longeline – All Sexes Show Together

Most Colorful – weanlings and yearlings to show together

5. Entry fee is \$75 per class entered paid 30 days prior to the day of the show. This date will be set each year and published in the SAHC newsletter.
6. Late entries will be accepted the day of the show for \$125 per entry.
7. Payback checks will be mailed within 4 weeks of the show.
8. Checks returned for any reason including insufficient funds will forfeit any winnings.
9. 80% of the entry fee is jackpotted in each class, 20% retained by SAHC for expenses
10. Foal owner and Exhibitor must be members of the SAHC on the day of the show.
11. There is no minimum number of entries for the classes to run. Stakes classes to run concurrently with regular class if possible. Show to be held in the fall at a date to be determined and published in the SAHC newsletter.

Payback Schedule (80% of the entry money to be jackpotted):

1 entry	100%					
2 entries	60%	40%				
3 entries	50%	30%	20%			
4 entries	40%	30%	20%	10%		
5 entries	35%	25%	20%	12%	8%	
6 entries or more	35%	25%	20%	10%	5%	5%

Diamond Run Farm

I think it was about 1983 when I bought a set of used stud books from a former pedigree researcher in Wisconsin. Along with it came a number of cataloged photos that she incorporated into the pedigrees. For a number of years, those old records sat in my mom's basement in Illinois, and some were damaged and lost when her basement took a little water

Last spring, I brought down what remained of those cataloged clippings, and every now and again, will leaf through it, and occasionally run across a name I recognize. Here are two such examples.

Golden Glow, ApHC F-470, foaled in 1943 (above right, picture taken in 1947) is a great great grandsire of my mare Miss LBS Haz To Go (Libby), which would also put him in Cheney's (Hunting With Cheney) pedigree. Golden Glow was bred by H. E. Hollenbeck of Hale, Missouri.

To the left, we have a color photo of Glen Rio Day. He first appeared in the pedigrees of a mother/daughter pair I used to own a few years ago, Ta-Glen-Ka Doll, and Anniething Goes.

I still own two daughters out of Anniething Goes, Mifillanna and Mifillusion, full sisters, so his blood is still here, as well.

If I run across any more interesting photos, they will probably turn up in a future Diamond Run Farm ad!

Enjoy!

SOONER YOUTH AMBASSADOR PROGRAM

Background

4-H and FFA programs teach our youth a myriad of different skills beyond the animal husbandry that traditionally is the focus of these programs. By becoming proficient in areas such as parliamentary procedure, public speaking and commitment to a goal, our youth are better equipped to be leaders of the next generation.

Mission of the Program

To recognize achievements of Sooner Youth and decrease the financial constraints placed on our youth (and their parents) who are actively promoting the Appaloosa in 4-H and FFA programs.

Funding for the Program

Annual fund raiser specifically funding this program will be established.

Rules

The applicant must be a current active member of the SAHC.

An active member is a member who has attended or supported at least one club activity during the year. Ie: membership meeting, trail ride, fund raising event, horse show, clinic, etc.

Awards are for district, state, regional and national competitions in 4-H and FFA equine competitions. These competitions may include **but are not limited to** horse shows, horse judging, horse bowl or speech and demonstration contests. School Major Projects may include school-wide competitions, science fair projects or other areas (not classroom specific assignments such as book reports).

The competition/presentation must show evidence of the promotion of the Appaloosa Horse.

If an applicant advances to another level of competition, a second application must be made.

Any age youth is eligible to apply for an ambassadorship.

The awards will be as follows **as funds are available**:

School Major Project – Sooner Pride

District Level - \$50

State Level - \$100

Regional Level - \$150

National Level - \$200

Proof of Activity must be provided before monies are paid.

The Tiger Web

Welcome to my studio in Coweta, Oklahoma! My training as a commercial artist has been converted to use of the latest web tools, instead of pencil and paper. Each site I design is hand coded to your specifications, making your project the most important one in the house. You deserve the best value for your dollar.

What makes a great web site? I believe that a clean, uncluttered design coupled with fast loading pages and easy navigation are the main components of a great site. If your visitors have to wait on your site to load or get lost going from page to page, they will leave. Any component that is distracting or annoying will drive a visitor away. My goal is to keep visitors, your potential clients, on your site and insure they will return. Because of this approach, I have a list of loyal clients that continues to grow with each passing year.

There are special rates for horse clubs, breeding farms and other equine concerns. As Vice President of the Sooner Appaloosa Horse Club and a former small horse breeding farm partner, I truly understand the need for high quality equine marketing on a tight budget.
